Marenisco Township has developed this application packet to assist you in your building needs. Our Building Inspector does not hold regular office hours and will accept phone calls at home.

All information requested needs to be turned in. Incomplete information will only delay your permit process.

When necessary, well and septic permits are required before a building permit will be issued.

We hope that you have all information necessary to start your project. Each form is self-explanatory, but if you have questions please contact us.

Location _____ Date _____

As the bona fide owner of the above listed property, which is a single-family residence and which is, or will be on completion my place of residence, I hereby make application of an owners permit to install or erect.

(Building Type) _____

I certify that I am familiar with the provisions of the applicable ordinances and rules and hereby agree to make this installation or construction in conformance with the ordinance. In making this application, I realize I am assuming the responsibility of a licensed contractor for the work listed in this permit application and will do the actual work involved myself. I agree to notify the Building Department within seventy-two (72) hours after the work is completed so that the department may make its required inspection. I further agree to keep all parts of this work exposed until accepted by the inspector.

IMPORTANT, A separate permit shall be obtained for each of the various trades, such as building, electrical, plumbing and heating. Violation Penalties, Any person who shall violate any provision of the Ordinance or shall fail to comply with any of the requirements thereof, shall, upon conviction thereof, be punished either by Marenisco Township Civil Infraction Ordinance or by State of Michigan Building Acts.
